

KART RACE INVITATION

Welcome to the Karting event Stockholm Race Weekend at Järfällabanan on April 24-25. All Swedish Championship classes together with Rotax Max, Rotax Junior Max and Junior 60 are invited and we foresee that many of the Swedish and Nordic top drivers will participate.

The race is arranged according to the FIA international and Svenska Bilsportförbundets national sporting regulations. The organisers of the contest are not assuming any responsibility for the drivers during the race and the drivers participate at their own risk. FIA, Swedish Automobile Sports Federation (SBF), Specialized districts (SDF), the organiser and officials can not be held liable without cause by the participant for personal or property damage during the competition.

Each participant has by entering the event given the organiser the permission to register the driver in the organisers data register and to publish the name in any media.
